### LED

|          |                       |
|----------|-----------------------|
| Lamptype | Led                   |
| Aantal   | 1                     |
| Vermogen | 6,2W                  |
| Stroom   | 350mA                 |
| Kelvin   | 2700K   3000K   4000K |
| Lumen    | 735                   |
| CRI      | 90                    |

### Fysisch

|                      |             |
|----------------------|-------------|
| Type gebruik         | Interieur   |
| Type bevestiging     | Plafond     |
| Inbouwdiepte         | 86 mm       |
| Afmetingen armatuur  | ø59,5x76 mm |
| IP-beschermingsgraad | IP20        |
| Reflector            | 36°         |
| Gewicht              | 0,5450 kg   |

### Elektrisch

|                           |                                                     |
|---------------------------|-----------------------------------------------------|
| Aansluitstroom            | ≈350mA                                              |
| Armatuurklasse            | III                                                 |
| LED driver                | Niet inbegrepen                                     |
| Vervangbaarheid lichtbron | Vervangbare lichtbron (enkel LED) door installateur |
| Energie efficiëntie       | E                                                   |
